NEEDED**

Parties & Events

Serve on a Committee

- **Why should I pay my Civic Association Dues?**

Your dues help us pay for all community services and activities. Services such as snow removal and the trash can at the Springer School Bridge. Your dues also support all our community events at Goodley Park. If we could get more neighbors to pay their share of the dues, we could schedule more family events and offer extra services such as leaf pick-up in the Fall. Lastly your dues pay for Civic Association Insurance, printing, mailing and other office expenses. Our dues are the lowest in the area, so please pay your Civic Association Dues. Thank you for your support.

- **Announcing the Launch of the “McDaniel Civic Association Website”, on November 1, 2022.**

We are excited to announce the launch of the “McDaniel Civic Association Website”, our very own neighborhood website. We will activate the website on November 1, 2022. We will present the features of the website and have open discussion on the day of our “McDaniel Civic Association Meeting” scheduled for Tuesday, November 15, 2022, at the Talleyville Fire Hall. We will demonstrate how to access and use the website at our meeting. You can join us on November 1, 2022, by clicking the link <https://mcdanielcivicassociation.org>.

“McDaniel Civic Association Website” provides up-to-date information for the residents of our neighborhood. Certain pages will be secured only for the members of our neighborhood. We, the neighborhood residents, are members of this website. The website pages are all organized for us to easily access any information that is relevant to our neighborhood, its announcements, its safety, its bylaws, and events with simple clicks to specific links. It is easy to use and allows us to get the accurate information we seek. The website allows us to pay our “Annual Dues” on-site and contact the President, Executive Officers, and the Board of Directors with one click. We will be conducting surveys, voting-related to neighborhood businesses, and virtual meetings via the website. All important announcements will be updated regularly on our website in a timely manner. We will be directly communicating to our neighborhood residents from our website.

What happens to our Facebook page? We will keep the Facebook page as is and it is the informal communication, social media site that is open to many who are not part of our neighborhood. Any neighborhood event will still be announced at the site however, it will always direct only the residents of our neighborhood to our “McDaniel Civic Association Website”.

We are looking forward to launching and sharing this “McDaniel Civic Association Website” with you. Please come and join us!

- **You and your wonderful pet: Dog Owner Responsibilities**

We receive complaints of dog owners not picking up after their dogs. Our Civic Association, in cooperation with New Castle County and the Brandywine School District, have provided a dog waste bag dispenser and a trash can at the Springer School walk bridge at Shellpot & Florence. We have the trash can emptied once a week. Please pick up after your dog. Thank You.

- **New Developments in Brandywine Hundred**

We are represented on the board of the Council of Civic Associations of Brandywine Hundred (CCOBH) and monitor all development projects in Brandywine Hundred. We will continue to provide high-level summaries in this newsletter. If you would like to learn more about developments in detail, we encourage you to visit the CCOBH site online through this link: www.ccobh.com
