

**MCA NEGOTIATED “NEIGHBORHOOD DISCOUNT PROGRAM”**

**What is required by Evergreen to offer the “Neighborhood Discount Program”?**

1. Community discount rates will apply to **all residents** in the neighborhood once we achieve the critical 90% threshold. There will be no difference in prices for a household. All residents will receive the same price for the services they choose. See the breakdown below for details in **Table 2**.
2. We are still in Evergreen’s “Pledge Period,” which started on April 17, 2023. Through negotiations, I was able to extend the pledge period, which was initially only for 6 months. We are now only 13 customers away from achieving the “Pledge Period Rates” for the whole neighborhood. See **Table 3** for the Pledge Period Rates. This will help over 500 residents in this neighborhood with immediate savings.
3. Once we have the whole neighborhood on “Pledge Period” rates, then we are on our way to achieving the 90% threshold and achieving the “Neighborhood Discount Program” rates. The faster everyone signs up the faster we will all achieve big savings.

Table 2: **NEIGHBORHOOD DISCOUNT PROGRAM** – Negotiated rates  
(These rates will be valid if the 90% threshold has been achieved)

| Type of Services              | Neighborhood Discount Program<br><i>(applies equally to all residents)</i> |
|-------------------------------|--|
| Trash & Recycle Only          | <b>\$66</b>  |
| Trash, Recycle and Yard Waste | <b>\$90</b><br>(\$66+\$24)   |

Table 3: **PLEDGE PERIOD rates—Started on April 17, 2023 – ONGOING** (These rates will be valid only to new customers who sign up with Evergreen. Once we get 13 more residents to sign up, ALL Evergreen Customers in the Neighborhood will be at this rate until we achieve the 90% threshold.)

| Type of Services              | Pledge Period Program<br><i>(applies only to new customers until the 90% threshold is achieved)</i> |
|-------------------------------|---|
| Trash & Recycle Only          | <b>\$87</b>   |
| Trash, Recycle and Yard Waste | <b>\$111</b><br>(\$87+\$24)   |

The current services offered by Evergreen will not change during the Pledge Period or at the Negotiated Neighborhood Discount Period. The services are:

4. **“Trash & Recycle Only”** services cover household trash/waste (green bin) + recycling (yellow) – weekly pickup. The pick-up by Evergreen is every Friday and every week. This service also includes Free Christmas tree removal once a year; and one bulk pickup weekly which requires notification in advance to Evergreen. The bulk items could include household furniture, 4 additional kitchen-size trash bags, or 2 contract bags.
5. **Yard waste removal** is a separate service and has its own price which is \$96/year broken down quarterly for billing.
6. No price difference for 64 or 96-gallon bins – choose whichever fits best for your household. And if you decide to change the bin size, that fee is waived for one time only.

Whenever a neighbor is starting service and contacting Evergreen for their service-related issues, they will contact customer service at
